**A Policy on Whistleblowing 2024
(Code of Practice on Reporting Malpractice)**

“Learning Together Growing Together”

Rationale

The Council for Catholic Maintained Schools ('the Council') is committed to adopting high standards in education/administration and will treat malpractice as a serious matter.

1.2 The Public Interest Disclosure (Northern Ireland) Order 1998 provides protection from dismissal, or other sanction, for teachers who make disclosures of information relating to malpractice by their employer or colleagues at work.

1.3 Employees are often the first to suspect or realise that there may be something wrong in their place of work but may not express concerns because of feelings of disloyalty to colleagues or fears of harassment and victimisation.

1.4 In line with the Council's and school's commitment to openness, probity and accountability teachers and others with serious concerns about any aspect of the Council or school's work are encouraged to report them, and if necessary, in certain circumstances, on a confidential basis.

1.5 This policy makes it clear that teachers should be enabled to raise concerns without fear of reprisal rather than overlooking a problem or reporting the matter outside.

2 The Public Interest Disclosure (Northern Ireland) Order 1998

2.1 The Public Interest Disclosure (Northern Ireland) Order 1998, also known as the '**Whistleblowers Act**' provides protection for employees who disclose information which may be regarded as confidential, and which tends to show one or more of the following:

2.1.1 a criminal offence has been, is being, or is about to be committed;

2.1.2 the employer is failing to comply with his legal obligations;

2.1.3 a miscarriage of justice has happened or is likely to happen;

2.1.4 an individual's health and safety is being jeopardised;

2.1.5 the environment is, or is likely to be damaged; and

2.1.6 information falling into any one of the above categories which has been, is being or is likely to be, deliberately concealed.

2.2 An employee must have a reasonable belief that a crime has or may be committed. An employment tribunal will decide whether or not such a belief was reasonable.

2.3 In deciding whether or not an employee has acted reasonably, all circumstances will be taken into consideration but in particular,

2.3.1 the identity of the person to whom the disclosure is made;

2.3.2 the seriousness of the relevant 'offence';

2.3.3 whether the 'offence' is continuing or is likely to occur in the future;

2.3.4 whether the disclosure is made in breach of a duty of confidentiality owed by the employer to any other person;

2.3.5 any action the employer or prescribed person might reasonably be expected to take as a result of a previous disclosure; and

2.3.6 whether in making the disclosure to the employer the employee complied with procedures applied by the employer.

2.4 Protection applies where 'external' disclosures are made to such bodies as the police. In such instances the Council and school would expect to be satisfied that internal sources had been advised first or that the teacher/s believed they would have been victimised or evidence would have been concealed or destroyed. External disclosures must be made in good faith in the belief that allegations are substantially true and there should be no motive for personal gain.

3 Application of Policy

3.1 The policy applies to all teaching staff employed by the Council and school, both full and part-time, temporary and substitute. References to teachers within the policy cover all these categories.

3.2 The policy aims to provide an avenue for teachers to raise concerns and receive feedback on any action taken. Teachers may take matters further if they are dissatisfied with responses received. Teachers will be reassured that they will be protected from reprisals or victimisation for whistleblowing in good faith.

3.3 This policy is intended to cover concerns which fall outside the scope of other procedures which already are included in or covered by other policies e.g. bullying and harassment, discrimination, etc.

4 Protection of Staff

4.1.1 The Council and school are committed to this policy. If a teacher raises a concern in good faith the Council and school will protect them against harassment or victimisation and will, if necessary, apply the Disciplinary Procedure.

4.2 In accordance with the Public Interest Disclosure (Northern Ireland) Order 1998 a teacher cannot be dismissed or selected for redundancy as a result of making a disclosure in good faith.

4.3 Teachers who already are the subject of disciplinary, grievance or redundancy procedures will not have those procedures stopped or suspended as a result of their whistleblowing.

5 Confidentiality

5.1 The Council and school recognise that teachers may want to raise concerns in confidence under this policy.

5.2 If teachers request that their identities be protected, the Council and school will endeavour to honour that request.

5.3 If a situation arises where a concern cannot be resolved without revealing the teacher's identity, the Council or school will discuss with the teacher whether and how progress can be made. It may be that evidence, either written or verbal, is required in court proceedings.

6 Anonymous Reports

6.1 The Council and school encourage teachers to put their names to allegations because concerns expressed anonymously are much less powerful, however shall be investigated with details of all findings recorded.

7 The Procedure for Expressing Concerns

7.1 As a first step teachers should raise concerns with their principal or chair of the Board of Governors. This may be done either orally or in writing. If the report is made orally, it should be followed up in writing.

7.2 If a teacher feels unable to raise a concern with the principal or chair the matter should be reported by confidential telephone or in writing to the Council's Head of Workforce, Planning and Governance who will investigate the matter or have the matter investigated.

Director of Workforce, Planning and Governance: TBA

Telephone Number: CCMS 028 9201 3014

7.3 The teacher will have the opportunity to decide whether s/he wishes to remain anonymous.

7.4 If a teacher still has concerns, the matter should be reported to the Chief Executive.

Chief Executive: Eve Bremner

Telephone Number: 028 9201 3014

or to the Chairman of the Council.

7.5 All correspondence should be marked 'Private and Confidential' and addressed to the appropriate individual at:

8 Oral Reports

8.1 It is preferable that all complaints are made in writing and signed. However, it is recognised that some teachers may wish only to report the matter orally. In this case, the person receiving the oral report should write it down immediately and record the date and time and sign it. It should, if possible, be read back to the teacher to confirm its accuracy.

Action should be taken to have the complaint investigated as soon as practicable.

11 Abuse of this Procedure

11.1 It is expected that teachers will operate within the spirit of this policy, with integrity. However, use of this procedure to:

- make cynical, frivolous, mischievous, or vexatious allegations,

- distract from other issues,
- divert attention from or action in the application of other procedures,
- defame or perpetrate malicious falsehoods.

is likely to constitute misconduct and render the complainant subject to investigation and disciplinary penalty.
